## SUMMARY

---

Detail-oriented and motivated web developer with a solid foundation in PHP, MySQL, HTML, CSS, and JavaScript. Experienced in building responsive, secure, and scalable web applications with a strong understanding of object-oriented programming and web development best practices. Proficient in Git for version control and collaborative development. Well-versed in modern frameworks and CMS platforms, especially WordPress, with hands-on experience in developing custom themes and plugins. Additionally, highly proficient in the MERN stack (MongoDB, Express.js, React.js, Node.js), enabling full-stack development for dynamic and interactive web solutions. Known for problem-solving skills, clean coding practices, and the ability to quickly learn and adapt to new technologies. Passionate about delivering high-quality solutions and maintaining clear, maintainable code in team environments.

## EDUCATION

---

<b>Dr. D. Y. Patil Collage of Engineering, Akurdi</b> <i>BE. in Information Technology</i>	CGPA: 8.89 2023 – Present
<b>Sanjivani K. B. P. Polytechnic, Kopargaon</b> <i>Diploma in Computer Technology</i>	Percent: 90.58 2020 – 2023
<b>Shri Sharda English Medium School , Kopargaon</b> SSC	Percent: 92.40 2011 – Feb 2020

## PROJECTS

---

### Restaurent Management System

*MERN Full Stack*

- Developed a responsive website using the MERN stack to facilitate seamless menu browsing and online ordering
- Enabled users to explore menus , view detailed descriptions of dishes and place orders online .

### E-Commerce Website

*Om Sai Tyres And Auto-Services*

- Developed a dynamic e-commerce platform with user authentication, product catalog, shopping cart, and order management using PHP, MySQL, HTML, CSS, and JavaScript.
- Implemented server-side validations, session handling, and optimized database queries to ensure fast load times and efficient performance.

## EXPERIENCE

---

### Full Stack Intern

*Scalefull Technologies*

- Completed comprehensive MERN stack web development training, gaining hands-on experience in building scalable full-stack applications.
- Specialized in using MongoDB, Express.js, React.js, and Node.js to develop dynamic, responsive, and database-driven web solutions.

### Web application Intern

*Esteem Programing and Traning Institue (OPC) Ltd.*

- Worked on developing and maintaining dynamic web applications using PHP, JavaScript, HTML, and CSS. Gained hands-on experience in building responsive user interfaces, implementing backend logic, and ensuring cross-browser compatibility. Collaborated with the team to deliver clean, maintainable, and scalable code.
- Followed best practices for writing clean, modular, and maintainable code with proper documentation. Utilized Git for version control and team collaboration throughout the development lifecycle.

## TECHNICAL SKILLS

---

**Programming Languages:** Java, MySQL, Html, CSS,PHP, Javascript , MongoDB , Angular, React

**Core Subjects:** OOP , DSA , OS , CN , DBMS

**Libraries & Tools:** Canva , Git , Android Studio

## CERTIFICATIONS

---

**Java Full Stack :** Udemy

**MERN Full Stack Course Completion :** Wisdom Sprouts Technologies pvt.ltd
